

## Create News-article on the mpt-homepage

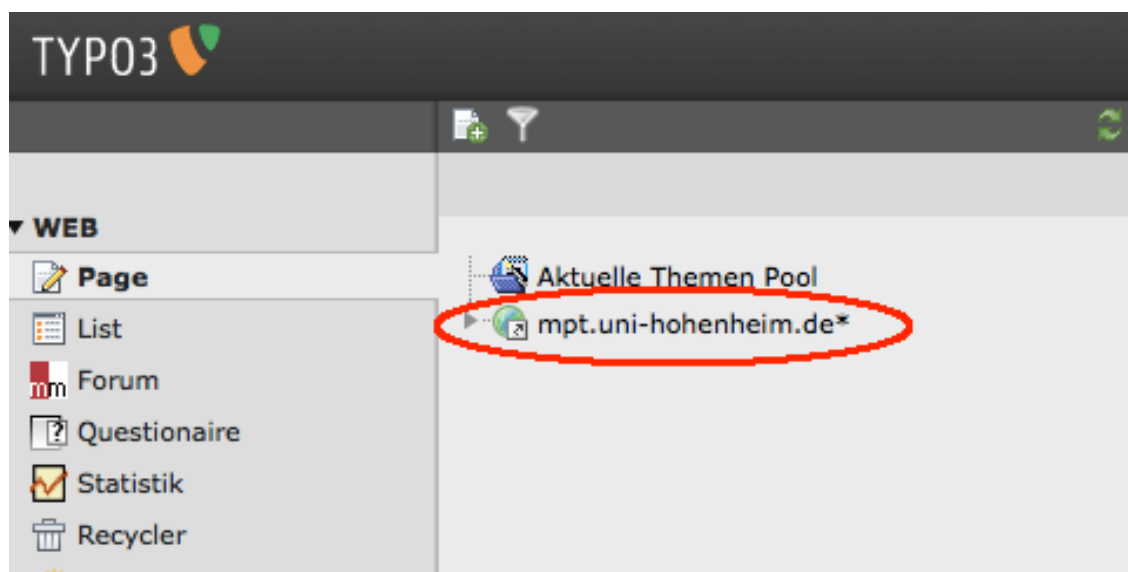

There are 3 different places to create a news-article on the homepage. For the front page: "Aktuelle Themen" and for the 2 robots: "Hako/AMS" and "Armadillo Scout". The way to do it is identical, but is accomplish different places.

### Guidance of creating a new news.

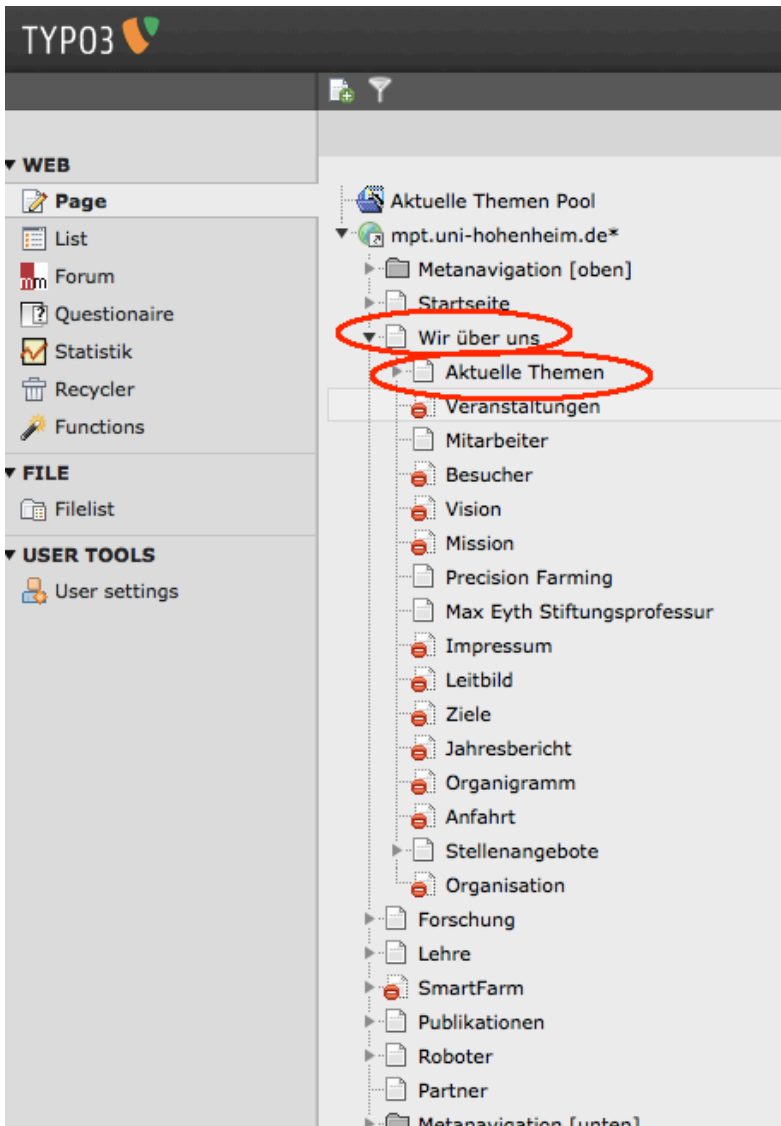

Login at the backend: <https://www.uni-hohenheim.de/typo3/backend.php>

Then you see this table of contents.  
Choose "page".

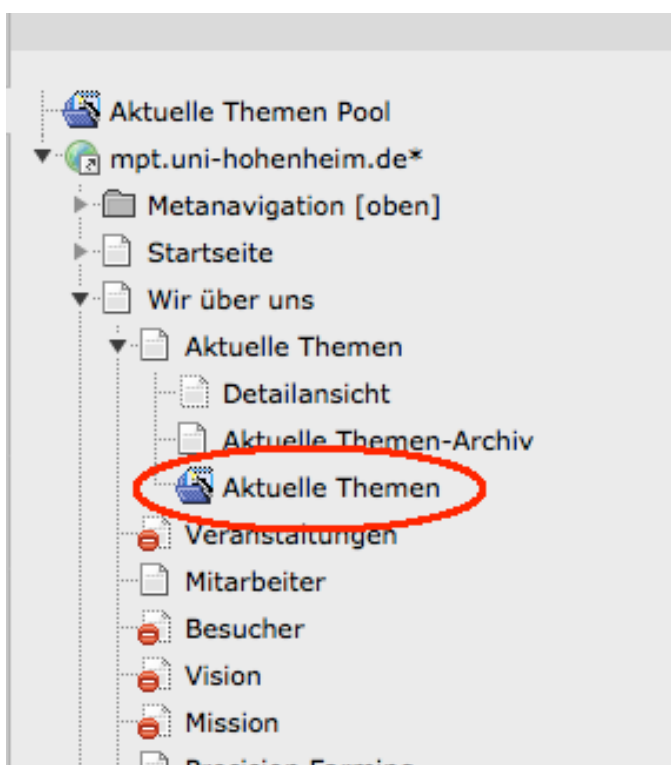

Press the arrow left of the "mpt.uni-hohenheim".

**Choose:**

1. "Wir über uns"
2. "Aktuelle Themen"

Choose the FOLDER "Aktuelle Themen"  
(the icon is different from the "page").

The screenshot displays a web content management system interface. On the left is a sidebar menu with a tree structure under the domain `mpt.uni-hohenheim.de*`. The main area is divided into two columns: **Default** and **English**. Each column contains three content blocks: **Sub-Nav**, **Content**, and **Kontext**. Below these blocks is a **News** section with a table of news items. The **Title:** header in the news table is circled in red.

**Page Content**

Default	English
Sub-Nav	Sub-Nav
Content	Content
Kontext	Kontext

To create a new news-article: Press the icon with the green plus-sign next to "title".

Then fill out the information of the news:

**Edit News "This is the header of the "new..." on page "Aktuelle Themen"**

Inhalt **Zusatzinformationen**

**Hide:**

**Title:**  
This is the header of the "news". Written as a headline.

**Vorspann**  
This is the introduction. Written with Bold letters.

**Text: (Rich Text Editor für Einfügen aus Word abschalten)**

No block style No text style [Table icon] [Code icon] [Link icon] [Help icon] [Calendar icon]

This is the story. Written with normal text.

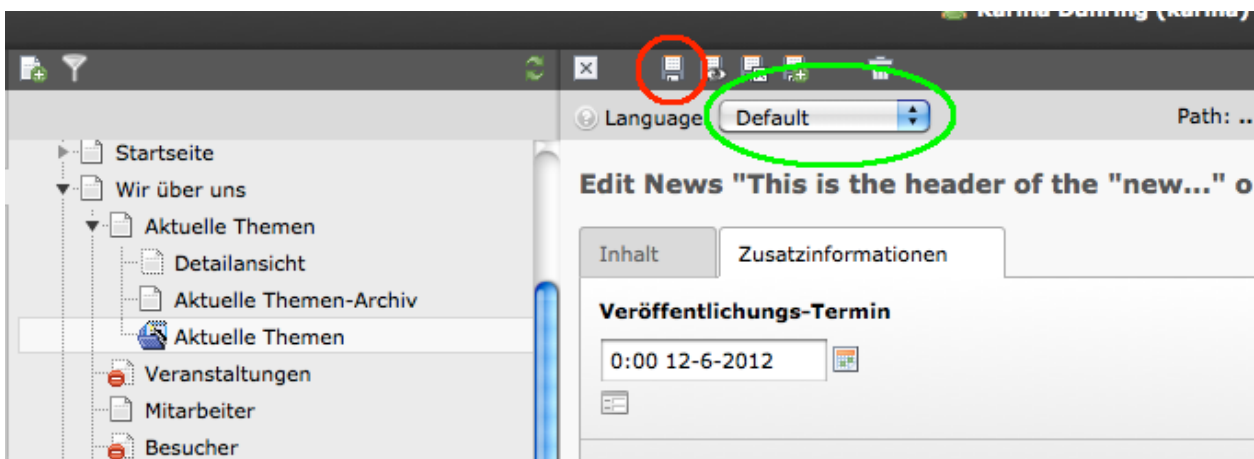

The news-page gets visible on the webpage when the check mark at the "hide" is removed.

The date of the news is set in "Zusatzinformationen", press this tab:

Set the date of the news in the top.

Add a picture, if wanted. Choose a picture by pressing the folder in the green ring.

1. Press save at the icon in RED ring (important to save before making the English version!!)
2. Make the news in English: choose "English" in the GREEN ring, then a new version is created and you can translate it.
